# Child Sexual Exploitation is a form of sexual abuse that can affect any child, anytime, anywhere and from any background.

It involves offenders grooming youngsters and using their power to sexually abuse them. It could be a seemingly 'consensual' relationship with an older boyfriend, or a young person manipulated into having sex in return for attention, gifts eg alcohol or cigarettes.

Taxi drivers can help protect young people.

Does your customer appear to be

- under 18 years old?
- with an older person and in a relationship?
- under the influence of alcohol or drugs?
- going to a hotel, house party or secluded location?

If you are concerned ring the Police on **101** or if there is immediate danger **999**.

You can ring Crimestoppers anonymously on **0800 555 111** or the NSPCC adult Helpline on **0808 800 5000**
